**Alliance with the Washoe County Medical Society**

**Join AWCMS and be part of an organization that makes a difference!** All physicians' spouses and partners are welcome to join the Alliance with the Washoe County Medical Society. We're the home for Northern Nevada physicians, their spouses and partners, residents, and medical students—the family of medicine in our great state. We strive to connect you and your physician family to new friends, mentors, and colleagues who share the same values and dedication to supporting the family of medicine and quality health care for our community.

**AWCMS is 100% volunteer-operated:**

- We are primarily a service organization, focusing on health-related needs in the community, initiating projects, and providing volunteer hours and monetary assistance to charitable organizations and groups.

**AWCMS has been hard at work during 2022/2023:**

This past year, AWCMS has:

- Donated to the AWCMS Endowment and health related charities
- Participated in community service projects including the Down Syndrome Network, the Food Bank, RX drug take-back events, and opioid & fentanyl crisis education
- Remained informed during the Legislative Session about bills affecting health care

**AWCMS Events Planned for 2023-2024:**

- Luncheons with an interesting speaker to which members and their guests are invited
- Evening socials for members and their physician spouses or partners
- The Holiday Luncheon—date and time TBD
- The 2024 Spring Groovy 60's Party—date and time TBD

**AWCMS Special Interest Groups:**

- Members' special interests are accommodated, with groups organized on subjects such as young professionals, children play group, hiking, book club, gardening, and pickleball.
